

PMG Premier Marketing Group, Inc.

Food Service Equipment Specialists

PMG FAST FACTS

We're on a roll now with our 3rd issue of Fast Facts! This issue includes some exciting news, some great product highlights and much, much more. Read on...and don't forget to send in your answer to this issue's trivia question.

PMG ANNOUNCEMENT

Premier Marketing Group, Inc. is pleased to announce that we are now the sales representatives for Perlick® Corporation in Northern California and Northern Nevada.

We are equally pleased that Jeff Smith will bring along his extensive expertise as part our team, and will continue to maintain the lead role in supporting Perlick for PMG.

Check out this new, curved glycol cooled brew tower installation as part of a new Perlick system at Robert Irvine's Public House at the Tropicana Hotel in Las Vegas. Working on a similar project? Contact Jeff Smith at Jeff@kitchenreps.com.

FEATURED PRODUCTS

Traulsen Refrigerators and Freezers with Remote Compressor Capability

Take the heat out of the kitchen! Traulsen's [G-Series](#) and [R & A Series](#) refrigerators and freezers offer optional remote compressors to keep your kitchen cool and quiet. Many of the other leading brands can't offer this feature. Email us at premiermktg@kitchenreps.com to learn more.

Metro MightyLite™ Insulated Pan Carriers

Vulcan Kitchen Guide

Looking for the perfect Fryer, Charbroiler or Griddle for your customer, but not sure which one is best for their needs? Then check out this Vulcan [Kitchen Equipment Guide](#). This handy tool provides personalized suggestions based on your answers to a few, simple questions. Try it out!

The new MightyLite [ML300](#) and [ML400](#) Pan Carriers are ultra light – 60% lighter than traditional molded carriers. They have 4- and 6-pan carrier capacity and will keep food at a safe temperature for 5+ hours. Check them out today!

PMG FAST FIVE

Just a few "small bytes" of information worthy of sharing. Did you know...

1. You can get customized, 3-D Range-lineup [drawings](#) from Vulcan? Send your drawing requests to us at premiermktg@kitchenreps.com.
2. [Perlick](#) can dispense almost any drink in a keg - beer, wine, cold brew coffee, and kombucha?
3. The Vulcan [VC5G](#) is the only convection oven on the market with removable doors?
4. You can find authorized servicers for each manufacturer on the [PMG](#) website?
5. Vulcan has a [Blog page](#) - a great resource for foodservice content?

Do you have a Fast Five item that you think others would benefit from knowing? Send it to us and we may include it in our next Fast Facts issue.

FAST FACTS TRIVIA

We stumped our readers with last issue's trivia question. We asked, "What year did PMG release the In-Sink-Erator video featuring Woody Clarke?"
The answer: 2006

Think you might have better luck this go around? Be the first person to send the correct answer to kristy@kitchenreps.com for a chance to win a special PMG prize.

Question: There are ____ billion ways to configure the new line of Perlick refrigerated back bars.
