

PMG FAST FACTS

We have so much information to share in this 4th issue of Fast Facts! Our Factories are not only introducing some great new products, but they're also introducing some exciting programs as well. Read on...and don't forget to send in your answer to this issue's trivia question.

FEATURED PRODUCTS

We know the fires in Napa and the surrounding counties have affected many of our families, friends and colleagues, and we are so grateful for all the efforts and contributions, small or large, offered by many individuals and companies.

We'd like to especially recognize Metro Industries as they donated 10ea, model ML300 MightyLite Insulated Pan Carriers to Epicurean Foods to assist in the fire relief efforts. Our hats off to Metro for stepping up!

Perlick® Wine Column Refrigeration

Perlick's new, space efficient [wine columns](#) offer high capacity wine storage with superior features and unmatched performance.

- Takes up just 4 square feet of floor space
- Energy efficient and environmentally friendly with zero ozone depletion
- Single and dual zone models maintain proper temperature for both red and white wines
- Advanced touch screen controls make it easy to control temperature and humidity offering the perfect environment for wine preservation

For more information on these new wine columns, contact jeff@kitchenreps.com.

Structural Concepts Counter Model Design Guide

It takes careful consideration when specifying an area to accommodate modular display cases – dimensions and ventilation requirements are key to ensuring problem-free installation. Check out the Structural Concepts' Counter Model [Design Guide](#) for the CO models (32"D models) to assist you with your counter display installations.

Kitchen Storage Makeover Contest

Metro, along with Foodservice Equipment & Supplies Magazine just announced the [Kitchen Storage Makeover Contest](#). One lucky Foodservice operation in the U.S. will receive a Metro ESP Pro assessment followed by a storage makeover with up to \$50,000 worth of Metro product (list price).

The promotion runs now through January 31. For more details, go to www.fesmag.com/ksm.

PMG FAST FIVE

Just a few "small bytes" of information worthy of sharing.

Did you know...

1. With Hatco's [Quick Ship Program](#) orders are shipped the same day if order is received by 12:00pm CST, or the next business day if ordered after 12pm CST?
2. The capital expenditure deduction limit for 2017 [IRS Section 179](#) is \$500,000? This means if you buy (or Finance through Marlin Leasing) Hobart equipment you can deduct the full purchase price - up to \$500K - from your gross income?
3. Baxter's Double Rack Gas Oven (OV500G2) qualifies for a \$2,000 [PG&E rebate](#)?
4. The Hobart LXGeR & LXGePR ship with a 6" or 14" leg stand, standard?
5. With every Vulcan equipment purchase, a free [New Equipment Check Out](#) is included? A service professional will ensure the equipment is properly installed and ready for use, and you can call Hobart Service direct.

Do you have a Fast Five item that you think others would benefit from knowing? Send it to us and we may include it in our next Fast Facts issue.
