

## PMG FAST FACTS

Five issues strong! We've got lots of great information to share in our fifth issue of *Fast Facts*. So don't miss out...take a moment to see what's "cooking!" And make sure you send in your answer to this issue's trivia question - you just might be the lucky PMG prize winner!

## FEATURED PRODUCTS

### Berkel 330M Heritage Prosciutto Slicer

This **330M** slicer is a beauty! If you're looking for a slicer that slices ultra-thin with precision in every stroke, then this one's for you!

- Integrated two stone sharpener
- 13" hollow ground knife
- Automatic feeding of the product into the knife
- Handles product 8 3/8" high by 10 7/8" wide
- Slice adjustment and consistent cuts of hot or cold meats and cheese from tissue thin to 3/16"

Want a demo? Email us at [premiermktg@kitchenreps.com](mailto:premiermktg@kitchenreps.com) to arrange one today!

### Hobart Turbowash II Powered Sinks

Blasting away the toughest food, soil and dirt has never been easier thanks to Hobart's **Turbowash III!** This state-of-the-art, stainless steel pump and impeller unit is capable of pumping 200 gallons of water per minute on soiled ware and comes standard with a self-draining feature. Not only is it built to last, its flexible design allows operators to use kitchen space more effectively. Check it out today!

### Vulcan ABC Combi Oven

Vulcan took away complexity and focused on simplicity with their new **ABC Combi!** With just three knobs, no modes – only temperature, time and humidity - this Combi offers the simplest of cooking experiences with exceptional cooking quality. The operator can:

- Set the temperature and time, and the humidity will automatically adjust to the appropriate setting.
- Get consistent results without the need to rotate pans during cooking.
- Move quickly in a batch cooking application with the timer recall feature.

Watch the [Combi Simulator](#) to see the simplicity in action!

### Hatco Rapide Quisine® Induction Ranges

These [Induction Ranges](#) are designed to handle the most rigorous of commercial kitchens. With multiple safety and convenience features coupled with its Magnetic Power System - delivering the highest power in its class - these induction ovens are unmatched! With three models available – Built in, Countertop, and Heavy Duty Countertop – you're sure to find one that fits your needs. To see a full list of features, [click here](#).

### Metro High Density Top-Track Storage

This shelving system can boost storage space up to 40% and opens an access aisle between any two units as needed. [Track shelving](#) is more efficient - maximizing the amount of productive space available, and the shelving is interchangeable. You can mix and match the MetroMax i™ and MetroMax Q shelves and posts based on the application.

## PMG FAST FIVE

Just a few "small bytes" of information worthy of sharing.

Did you know...

1. Perlick offers [guaranteed shipment](#) on select back bar and underbar products? Orders are shipped within 24hrs.
2. Tucs Equipment launched a new website on October 1st. Check it out at [tucsequipment.com](http://tucsequipment.com).
3. All Vulcan electric floor model steamers now feature dual, high output generators – the ET series replaces the EA floor model. The base model ET and ET PowerSteam upgrade are also available in addition to the LWE unit.
4. You can couple the [48"](#), [60"](#), and [72"](#) Vulcan Endurance Range configurations with the new refrigerated base?
5. ITW Food Equipment Group was named [2017 Best in Class](#) for 17 consecutive years with seven overall category winners, and Perlick was named the [2017 Best in Class](#) Underbar Fabrication award winner for the 14th consecutive year in the annual Best in Class study from Foodservice Equipment and Supplies magazine? Congrats ITW and Perlick!

Do you have a *Fast Five* item that you think others would benefit from knowing? Send it to us and we may include it in our next *Fast Facts* issue.

## FAST FACTS TRIVIA

**Congrats to our *Fast Facts* Trivia Winner - Chris Gillis from Trimark Economy Restaurant Fixtures in San Francisco!**

He answered the question: "Can you name the top three states that have the most craft beer breweries?"

Answer: California (520), Colorado (252) & Pennsylvania (236)

Source: USA TODAY NETWORK, Mike Snider, USA TODAY Published 4:28 p.m. ET Oct. 3, 2017

Want to be the next *Fast Facts* Trivia winner? Be the first person to send the correct answer to the question below to [kristy@kitchenreps.com](mailto:kristy@kitchenreps.com) for a chance to win a special PMG prize.

Question: The trend has been for countries to switch from a left-side driving system to right-sided driving. But one country most recently switched the other way. Which country was it?
